

## Dear Friends and Partners:

It is always a joy to write you to give you an update on the wonderful **open doors** God has allowed us to walk through. We **thank God** for all He has done this year.

### OPEN DOORS

*I know your works: behold, I have set before you an open door, and no man can shut it: for you have a little strength, and have kept my word, and have not denied my name. Rev. 3:8-*

#### GUATEMALA:

This week I am in Guatemala with a wonderful team from various American churches. We are finishing the Bible School building for ASELIS (Association for "Equipping the Saints" International) School of Ministry. This structure will hold about **500 ministers and students**. We will have a **dedication of the property** in conjunction with a **conference for the Mayan pastors** in the northwest section of the Guatemalan mountains. We are expecting approximately **1200 leaders from 238 Mayan villages**. We are thankful that we can be a great help to **John and Sharon Harvey, directors of ASELIS** and their continued work to these Mayan Indian people.

#### BANGKOK, THAILAND:

I recently returned from Bangkok, Thailand where **I witnessed history-making events**. Partnering alongside His Servants Ministries of Somerset, Kentucky, **we shared the Gospel in an open-air crusade in the World Trade Center Plaza in downtown Bangkok**. This was the first time the Buddhist government ever allowed a Christian ministry to share the Gospel in an open arena. **Approximately 20,000 people** came through 'Believe for Bangkok' on Sunday night.

We had a glorious time! Two of the **leading television and movie stars** gave their amazing testimonies of the miraculous power of God in their lives. **Both of these celebrities have been saved and have entered into ministry**. The 700 Club filmed the crusade and will air it to 3 million people. On one end of the large plaza was a giant Buddhist statue and on the other end was our crusade. **OUR GOD WON!!!** Many people were saved as the Gospel was presented. The government officials were shocked to see **thousands of young people responding positively to the message of Christ**. Full-page articles in the local newspapers came out in the days

following praising the event. The Buddhist priests were quoted saying, "These Christians were able to reach our young people where Buddhism has failed for 1000's of years. We also helped conduct a **conference that birthed a new church in downtown Bangkok**. God is so wonderful.

#### EL SALVADOR:

What an incredible trip I had last week where the team ministered to thousands of people through medicine, medical help, and evangelism. **The doctors treated over 1200 people**. Many were saved both physically and spiritually!!!! (more details in next newsletter)

Thank you so much for helping us **spread the Gospel around the world**. We need your help more than ever. God is opening **incredible doors** for us. Please continue to **pray** and give to **cover us** and send us to the nations.

In Christ,

Bob Mason

*Reaching the Unreached*

**Col. 4:3** - Withal praying also for us, that God would open unto us a **door** of utterance, to speak the mystery of Christ...
